Re: [REDACTED]

Dear Mr. Cavender:

I am in receipt of the consumer complaint filed by [REDACTED] in [REDACTED]. Please consider this letter our response to [REDACTED] complaint.

First of all, we firmly believe that our company or any of its representatives did anything improper or "harassing" to [REDACTED] or any other residents of West Virginia.

Ardent360, LLC is in good standing in the state of Virginia. Since 2003, we have been providing a wide range of construction, energy and real estate services to property owners in the mid Atlantic area. We have a sterling reputation with our customers and the community.

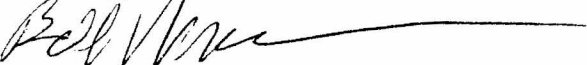

After some initial research, we identified a business opportunity related to the proposed PATH project in Virginia, West Virginia, and Maryland. To gauge interest, we sent an introductory letter to select property owners in West Virginia.

Even though we have received many favorable responses to the letter, we have decided not to pursue the opportunity any further in West Virginia. At this time, the introductory letter and a few meetings with property owners are the only activities performed. There have been no financial transactions or exchange of monies.

Given that we have decided to disengage from this potential business opportunity and therefore will not be contacting property owners in West Virginia, we believe that this will settle the matter with [REDACTED].

If you feel that we need to take any additional steps, please do not hesitate to contact me. I can be reached directly at 703-856-7704.

Sincerely,

Bob Weatherwax
President
